

Follow the step by step instructions to download your CAD file.

If you do not receive the CAD file in your inbox, please check your junk email folder. If you're having trouble downloading the CAD files, please contact [engineering@carrlane.com](mailto:engineering@carrlane.com).

Step 1) Login to your customer or distributor account

The screenshot displays the Carr Lane Manufacturing Co. website interface. At the top, a navigation bar includes social media icons, 'Add to Bookmarks', and a 'My Dashboard Logout' link highlighted by a black box. Below this is a 'Product Search' bar and two buttons: 'PRICING & AVAILABILITY' and 'SEARCH CAD DRAWINGS'. A green navigation bar contains 'PRODUCT CATALOG', 'ENGINEERING RESOURCES', 'CUSTOMER SERVICE', and 'ABOUT CARR LANE'. The main content area is titled 'Configure a Part' and features a 'Part Configurator' section. This section includes a 'Close Tab & Add to Order' button, a 'Download CAD File' button, and a 'Save to My Project' button. Below these are 'Continue' and 'Cancel' buttons, a 'Price: 0.00 USD' indicator, and a 'Page 1' tab. The main configuration area is for 'PRESS-FIT BUSHING (P)', showing an example part 'P-32-7-.2020' and its specifications: 'P = Press-Fit Bushing', '32 = Outside Diameter in 64ths of an inch (1/2" - Standard OD)', '7 = Length in 16ths of an inch (7/16" - Special Length)', and '.2020 = Inside Diameter in inches (Special ID)'. There is a radio button selection for 'Do you require a special OD?' (Yes/No) and a dropdown menu for 'Select an OD'.

Step 2) Enter configured part details - \* information is required to move forward

**PRESS-FIT BUSHING (P)**

Example: P-32-7-.2020

 P = Press-Fit Bushing  
32 = Outside Diameter in 64ths of an inch (1/2" - Standard OD)  
7 = Length in 16ths of an inch (7/16" - Special Length)  
.2020 = Inside Diameter in inches (Special ID)

Do you require a special OD? \*  Yes  No

Select an OD \*

Valid range of ID is 0.6250 to 1.0312

Enter ID \*

Do you require a special Length? \*  Yes  No

Select a length \*

Do you require reamer ID tolerance \*  Yes  No

CAD models will not be generated unless the user has logged into carrlane.com.  
To create an account click "Create Online Account" at the top right of the page.

Downloadable 3D Model Selected \*

Part Number P-88-40-.6250  
Quantity 10  
Price \$23.94

Scroll to the top of the page and click the finish button to continue.

Step 3) Select the preferred file type from dropdown menu

CARR LANE MANUFACTURING  
4200 CARR LANE CT.  
P.O. BOX 101970  
ST. LOUIS, MO 63118

Step 4) Once the information is entered, scroll to the top of the webpage and click "finish" in the top left

The screenshot displays the Carr Lane Manufacturing Co. website's 'Configure a Part' interface. At the top, there is a navigation bar with social media icons, 'Add to Bookmarks', 'My Dashboard', and 'Logout'. Below this is a header with the Carr Lane logo, contact information (314-647-6200, info@carrlane.com), and buttons for 'PRICING & AVAILABILITY' and 'SEARCH CAD DRAWINGS'. A green navigation bar contains 'PRODUCT CATALOG', 'ENGINEERING RESOURCES', 'CUSTOMER SERVICE', and 'ABOUT CARR LANE'. The main content area is titled 'Configure a Part' and includes a 'Part Configurator' section with a 'Finish' button, a 'Cancel' button, and a 'Price: 17.59 USD' display. A 'Close Tab & Add to Order' button and a 'Download CAD File' button are also present. Below the configurator, there is a 'PRESS-FIT BUSHING (P)' section with a product image and detailed specifications. A table on the right shows the part number 'P-112-12-1.0000', quantity '10', and price '\$17.59'. The bottom section contains configuration options for 'special OD?' and 'special Length?' with radio buttons and dropdown menus.
